An **accident** occurred at UNSRI involving a retired employee of the Faculty of Agriculture with the initials AF. This incident **claimed the life of 1 victim** with the initials NGK and **1 critical victim** with the initials MAM who was a Law Faculty student.

TRUE STORY
APRIL 9, 2019

The motorbike driven by NGK and MAM was **hit from behind** by a green Kijang. So the **motorbike driver, NGK**, was run over by the right rear tire.

The motorbike and the motorbike passenger, namely MAM, **were dragged approximately 30 m**. The car stopped after hitting a pole in front of the UNSRI Rectorate building.
