

EVACUATION PROCEDURE

Stay Safe in Emergency Situations

SIGNAL

Activate an alarm or communication method to notify others of an emergency.

ESCAPE

Find the nearest safe route or exit from the dangerous area.

CONTAIN

If possible, try to control or limit the spread of the danger, for example, by putting out fires if you are trained to do so.

UNCOVER

Stay away from dangerous objects and try to find a safe path by checking doors and hallways before continuing.

RESCUE

If someone needs help, try to save them if it can be done safely.
